President's Message

The final push.....everyone is assessed!

As we approach the magical June 1, many of our WTA members face the Annual Summative Review. All probationary appointments and those on the September through June evaluation calendar cycle need to schedule an appointment with the appropriate administrator for this conversation. At this meeting, the administrator will make informed judgments of your yearly performance. These judgments are based on five things:

1. Informal/Formal observations
2. Evidence of Planning and Preparation
3. Evidence of Classroom Environment

4. Evidence of Instructional Strategies
5. Evidence of Professional Responsibilities

You will need to provide two things:

1. Completed Self Evaluation Form (**Form A**) Note the different forms for Counselors and Psychologists.
2. Artifacts to support your professional Growth and competency in Danielson's Four Domains. Some includes include: unit designs with the UbD approach, parental communications, student work, and reflections or surveys.

Your administrator should provide copies of three things:

1. Previously set goals
2. Completed evaluation form
3. Notes from observations

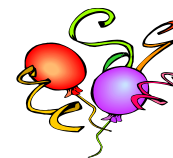

Together you will develop three goals for your professional growth. Your administrator, as a result of this meeting, will develop a narrative document to be placed in your file. You will both sign this document. You have 5 days to sign this document and you may add comments. All of this must be completed by June 10th, 2005 if you are in this Spring review cycle.

Prepare, bring evidence and enjoy sharing your accomplishments and your strengths.
 Pat

CELEBRATE !

Thanks to Greg

Geesler: WTA raised a total of \$1500 for the Scholarship fund last night at the Second Annual Family Feud.

What the heck it's spring—lets just celebrate—what better reason is there!?!?

News From the Delegate Assembly!

This year's NEA -NY Delegate Assembly was full of surprises! On Saturday April 16th, the Wayne Teachers Association was recognized for publishing *Wayne's World*. Beth Peters, External Vice President and Editor of the local paper, accepted the award of "Outstanding New Local Newsletter" on behalf of the WTA. NEA/NY Officers: Robin Rapaport, (President) Matt Jacobs (Vice President) and Bill Ninness

(Treasurer) presented the award and are all pictured below.

Rumor has it that our delegates Marc, Beth, Erin, Pat, and Alan were also shown on the local channel 13 news in Albany when Elliot Spitzer made a guest appearance at

the DA!

Of course the most important news is that the motion to continue with the process of a merger between NEA/NY and NY-SUT was passed by a 2/3 majority vote. 398 delegates voted in favor of merger out of a possible 513 registered at the assembly. This was by far the strongest attendance at a DA in recent years!

Q: What is the document called that allows for a modification of the collective bargaining agreement before the next round of negotiations?
The first member to contact his/her UniServ Representative will receive a \$5 Gift Card.
